Expectations

Class attendance is critical to a student's success in the program. Students are expected to attend all classes and to arrive on time for each class. Successful progression will be based on a student's performance according to their instructors grading matrix. A student may be graded NUE (no unit earned) if their attendance is outside the acceptable range.

Students are expected to behave in an appropriate manner and treat all other students and staff members with courtesy and respect at all times.

Mansfield Evening is a tobacco, alcohol, and drug-free environment.

A student will be dismissed if they do not adhere to the programs expectations.

**2018
Fall/Winter Session
September to January**

All students, regardless of race, color, sex, religion, national origin, limited English proficiency, sexual orientation, gender-identity, disability, or housing status, have equal access to all programs including athletics and other extracurricular activities.

MISSION STATEMENT

The mission of the Mansfield Evening Program is to provide an educational experience in a small school environment staffed by a team of caring individuals who are committed to helping all students be successful and obtain a high school diploma.

Seniors enrolled in the Day division may enroll for credit recovery. This is achieved by contract initiated at their guidance office.

Students who have completed four years of high school but lack necessary units to graduate can present their transcripts for review. An educational plan will

PROGRAM OF STUDIES

be developed leading to graduation.

Students who transfer from the Day to the Evening will have their educational record reviewed on an individual basis. Their plan to graduate will be set forth based on past success and the need to satisfy graduation requirements.

Student compliance and individual planning is paramount. A student transferring to the evening must enroll full time each semester until their class of record graduates.

Academic Units in English, Math, Science, Social Studies and Electives are offered by semester. The
