

MANSFIELD HEALTH SERVICES

SCHOOL REGISTRATION REQUIREMENTS

In order to be registered for school, children must present documentation of the following:

- Immunizations: diphtheria, pertussis and tetanus (DPT); measles, mumps and rubella (MMR); Hepatitis B; Varicella (Chicken Pox) and polio.
- Risk assessment for Tuberculosis (TB) completed by a primary care physician.
- All students entering Kindergarten must also have documentation of a lead test.

State and local laws prevent any exceptions from this policy. Parents also must submit a copy of the child's physical examination done prior to and within one year of registration.

KINDERGARTEN REGISTRATION REQUIREMENTS

- Certification of vision screening including stereopsis conducted by your primary care physician or an eye doctor dated after August 31, 2014.
- Immunizations: Record must indicate month/day/ year
- Diphtheria, Tetanus, Pertussis (Dtap) – 5 doses
- Polio – 4 doses
- Measles, Mumps and Rubella (MMR) – 2 doses
- Hepatitis B – 3 doses
- Varicella (Chicken Pox Vaccine) – 2 doses (or verification from your physician that he/she had the disease)
- Proof of lead screening
- Risk Assessment for tuberculosis and TB test if indicated by your physician
- Proof of a physical exam completed after August 31st 2014. Please bring an immunization record with you even if you do not have a current physical.

**Please note: Children may NOT enter school until the School Nurse has verified that all medical requirements have been met.
