SELECTED FAQs

1. **How is this different from CORI?** Fingerprinting is a ONE TIME event, CORI is every three years. Fingerprinting reports any criminal conduct nationwide; whereas, the CORI reports only Massachusetts criminal conduct.
2. **What are the fees?** \$55 for school employees who hold a DESE license and \$35 for all others (e.g. school secretaries, food service workers, building service workers, bus drivers, etc.). Employees are responsible for the cost as a condition of employment.
3. **May I go to my local police station to submit my fingerprints for the state and national criminal history checks?** No. The state requires you use the selected vendor. Prior fingerprints for FID licenses, etc are not valid for this process.
