

## **PRIVATELY COMPENSATED TUTORING**

It is expected that every effort will be made by the Principal and teacher to help the child with difficulties at school before recommending that parents engage a tutor. The School Committee believes that by maintaining a high quality instructional staff and providing for a rich, varied curriculum, the need for individual tutoring is minimized.

Should, however, individual tutoring be recommended in exceptional cases, the Superintendent is directed to establish such rules as will protect both the school system and the teachers from charges of conflict of interest.

Without written approval of the Superintendent:

1. Teachers may not arrange to tutor any child enrolled in their class for a fee.
2. No tutoring for which a teacher receives a fee will be carried on in a school building.
3. Teachers who accept outside tutoring engagements make their own arrangements with the parents for the fees to be assessed.
